Up To  
700 Sheets  
of Paper!**

**Cuts  
up to  
2.75"**

**Cuts up to 2.75" (70 mm)**  
The Diamond 7 cuts up to 2.75" or 700 sheets of 20 lb paper, while the Diamond 6 cuts 2.36" or 600 sheets of 20 lb paper.

**7 Interchangeable Dies**  
Available dies include 1/8", 1/4", 3/8", 1/2", 5/8", Straight, and Half-Moon.

**Protective Safety Cover**  
Keeps your fingers safely out of the cutting area during use.

**Patented Die Design**  
Patented upper die design & micro-adjustable lower die, allow for smooth and accurate cuts.

The Diamond 6 & 7 are our top of the line, industrial grade, electric corner rounding machines. They are perfect for large volume jobs that require high productivity.

**Detachable Pressing Bar**

Holds paper in place during the rounding process and also detaches for easy replacement of knives. (Diamond 7 Only)

**Manual & Auto Mode**

Switch between automatic foot pedal or manual hand operation with the flip of a switch.

**Protective Safety Cover**

Keeps your fingers safe and out of harms way during use.

**Tool & Scrap Box**

Separate built-in storage bins for tools and corner scraps.

**Patented Upper Die Design w/ Micro-Adjustable Lower Die**

**Large Work Table**

**Heavy-Duty Foot Pedal**
