BindRite HD7100

The HD7100 is a 14" open-3nded punch that features the patented "quick change" die system for changing punch patterns in 30 seconds; no tools required and no bolts or screws to replace or misplace. The HD7100 was designed with the operator in mind, offering quick, easy set-up including easy pin pulls and pre-set paper stop positions. With a standard three year limited warranty, this is truly the industry standard.

Rated up to 40 sheets or up to 80 pages of 20 pound bond paper. The number of sheets is dependent on the paper weight and punch pattern used. Designed for mid to high volume commercial and corporate use.

PRODUCT FEATURES

- Patented Auto Reverse Feature. Our Overload Detection Feature triggers an auto-reversing function to reduce jamming in the punch.
- Patented "QCDS," Quick Change Die System.
- The HD7000 Has More Than 20 Interchangeable Dies Available. 12 Hole Patterns are standard. (Each die is priced separately).
