POWIS

Image Blank Strip™

The Powis Image Blank Strip™ represents a new level of binding customization. Now every document you bind can promote your brand, enhance your image and ensure that each prospectus, manual, proposal or report that you produce is a cut above the competition.

With the introduction of the Image Blank Strip™, branding and marketing suddenly becomes much easier. Every document you bind instantly promotes your brand.

With the Image Blank Strip™, you choose the graphics, colors, branding and logos that are printed on the strip. Add Clear or Composition Covers, and the Image Blank Strip™ can take the most ordinary document and turn it into something special that everyone will notice.
